First time to post a thread here. I have a 1964 Willys Jeep that appears to be 95% stock & has been gently used over time. This vehicle was acquired from a long time hunting buddy in south Texas. Other than a small fist-size dent in the LF fender the body is perfect and totally rust free. Body was painted OD green from the original red color.

This posting might be a good hint and word to the wise on any folks that are buying a new vehicle. Back in 71 when I bought my Jeep part of my deal with the dealer was they had to give me a service manual. Back then I think they were only something like \$15 bucks, and the dealer was happy to throw the manual in to make the sale.
