A House At The Bottom

In his new novella, A House at the Bottom of a Lake, we have a even quieter but still original horror tale that somehow serves as a setting for one of the most non-horror themes you can fi. Josh Malerman is quickly cementing his reputation as one of the best and most original horror writers on the scene.

A House at the Bottom of a Lake by Josh Malerman

For Jim and Amelia find something even stranger and more magical than first love: Under the water and in the darkness, there is a house at the bottom of the lake. They can't resist exploring it. What they find seems to be an ordinary house like any other on any street in their little town . . . except that it is underwater.
