It had only taken 21 years.”. — Chris Hadfield, quote from An Astronaut's Guide to Life on Earth. “Competence means keeping your head in a crisis, sticking with a task even when it seems hopeless, and improvising good solutions to tough problems when every second counts.

30+ quotes from An Astronaut's Guide to Life on Earth by ...

An Astronaut's Guide to Life on Earth isn't a compendium of hagiographic profiles; it's a very human glimpse into a rarefied world. Bound together by a love of exploration and discovery, tested by tragic catastrophes and everyday hardship, the men and women Mr. Hadfield introduces us to are real people: They fail, they succeed, they worry, they miss their families, they go to space and do things never done before.
