Choose a room that has space for you to move around. Make sure you have room to bend, leap, and move across the floor without bumping into anything. Remove any items that might impede your movement, like a coffee table or items on the floor. If your room doesn't have a ballet barre, use the back of a sturdy chair for support when you need it.

### How to Do Ballet at Home (with Pictures) - wikiHow

A relevé is a basic move taught to most beginning ballet dancers. For a basic relevé, start with your feet in first position and one arm holding onto your barre. Use your calves to pull your heels upward until you're standing on the balls of your feet. Then, slowly release your calves to bring your heels back to the floor.
