For example, judges of the Ninth U.S. Circuit Court of Appeals instruct juries that, "A reasonable doubt is a doubt based upon reason and common sense and is not based purely on speculation. It may arise from a careful and impartial consideration of all the evidence, or from lack of evidence."

Proof Beyond a Reasonable Doubt in Criminal Trials

The history and politics of the 20th Century provided inspiration for the diverse range of musical styles developed between 1900 and 1999, pioneered by composers ranging from Elgar and Britten, to Stravinsky, Gershwin, and John Williams. Advancing technology enabled the recording of classical music and jazz, which in turn lead to the rise of globe-straddling artists like Pavarotti and Callas.

But beyond the fact that they can indeed become seriously ill, he said, there's also the risk of passing the virus on to someone else. "There are different ways to think about risk," Kleinman said.

Young adults may face higher risk for severe COVID than ...

The spectacular story of the growth and withering away of ancient Mediterranean urbanism is often drowned out by the noise of the rise and fall of the Roman Empire. Cities had begun to grow and connect when Rome was just a cluster of villages. And at its height, in the second and third centuries CE, the ancient urban system stretched far beyond the political limits of empire. Traders ...

Humanity's Great Urban Adventure Didn't Begin With Greece ...

I thought of myself as Italian. My father was the second son of an immigrant named Pasquale Bruno, who had made his way to New York as a teenager from southern Italy's impoverished Calabria region.

After writer Debra Bruno discovered that her Dutch ...
