Maximum Achievement. (1993) Brian Tracy. Brian Tracy grew up in a poor family and had to wear charity store clothes. After dropping out of school he worked in a succession of laboring jobs, living in boarding houses. At 21 he found work on a Norwegian freighter ship and travelled around the world, but two years later was back laboring and doing some commission selling. Though not an outward success, Tracy had always been interested in the question, "What makes some people successful and ...
