British Comics: A Cultural History by James Chapman

The specifically British contribution to the history of comics and cartoons remains under-researched and underappreciated. While there is a growing critical literature on such high-profile figures as Alan Moore, Neil Gaiman, and Grant Morrison, huge swathes of British cartooning history have been neglected by critics, historians, and fans.

Beginning with the first British comic, Ally Sloper —known as “A Selection, Side-splitting, Sentimental, and Serious, for the Benefit of Old Boys, Young Boys, Odd Boys generally, and even Girls”— British Comics goes on to describe the heyday of comics in the 1950s and '60s, when titles such as School Friend and Eagle sold a million copies a week.

British Comics: A Cultural History, Chapman

Much of the early academic work on popular culture saw it as an agent of social control, inculcating attitudes and beliefs calculated to help preserve the status quo, but most comics simply asserted the "common sense" of their time in their support for traditional gender roles, patriotism and the Empire.
