A large majority of countries today accept dual citizenship either for immigrants, for emigrants, or for both. Especially in Europe and South America, voting rights are often granted to non-citizen residents in supra- and sub-national elections in their country of residence.

Citizenship and migration | Migration data portal

The Broadening of Citizenship in a Globalized World. With the rise of globalization, the concept of citizenship as a form of membership and identity in one nation-state has changed. The increase in the number of countries allowing dual citizenship and noncitizen rights has made the acquisition of citizenship less pressing.

Citizenship in a Globalized World | migrationpolicy.org

The World Economic Forum defines globalization as "the process by which people and goods move easily across borders."As such, you can't have globalization without human migration. People cross borders to offer their labor, their investments and their ideas in markets that feature opportunities unavailable in their home countries.

Immigration and Globalization - Boundless

Introduction. It is commonly assumed that international migration has accelerated over the past fifty years, that migrants travel over increasingly long distances, and that migration has become much more diverse in terms of origins and destinations of migrants (Arango, 2000: 291).In this context, Vertovec coined the term "super-diversity" to indicate the unprecedented degree of immigrant ...
