second language, are waiting for instructions to take their places in the spotlight. Some are ... ing the reading/writing connection and thus help teachers make visible to their students what experienced readers and writers do when they make meaning from and with texts.

What Is the Reading/Writing Connection?

The complexity of writing compared to reading is even greater when we consider the process of putting words to thoughts. In order for writers to communicate effectively, they have to take a thought, often abstract, and render it in concrete form. Writers have to shape every phrase, construct every sentence, and sequence ideas logically while ...
