Courier Study Guide

If the class material is extensive and detail oriented, a study guide makes sense. Of course, students should keep up with the class material. Anything covered can be on the test. But professors should still hand out a guide with the most important topics for the test or pages from the textbook with need-to-know information.

The Importance of Study Guides – The Courier

Describe the different ways to select records using the Add Data section of the Data Courier activity. After selecting the master file, you can use the Record field to select records in a number of ways. You can select a single record by .1, .2, or CID (to select by CID, prefix "cid." to the CID).
