As outlined in Housing New York, creating housing and job opportunities in proximity to transit is a key goal as New York City seeks to remain affordable for current residents and accommodate a growing population while fostering sustainable neighborhoods and economic opportunity. East New York was chosen for this study based on its rich transit ...

Sustainable Communities -East New York - DCP

Fill out the census because you count, our community counts, culture counts! The Census determines federal funding for education, healthcare, public housing, parks, and more, as well as our number of representatives in Congress. Communities of color in particular, have been chronically undercounted.
