Start your daily journal off on the right foot by scheduling your writing for a set time every day. The time of day doesn't matter, as long as it's a time that's convenient for you. If you find your mind is most active in the morning, wake up 15 to 20 minutes earlier and jot down your thoughts then.

How to Start Journaling (and Make It a Daily Habit)

The Seat of Your Soul daily journal is an ideal self-improvement tool that aides you in your daily goals, self-tracking, productivity, happiness, thoughts, wins, and gratitude. This journal comes with extra-large blank pages that are dated for you to keep a great record of your life - as well as an opening page to write down your name and the year.
