Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

Documenting Individual Identity The Development

From passports and identity cards to labor registration and alien documentation, from fingerprinting to much-debated contemporary issues such as DNA-typing, body surveillance, and the catastrophic results of colonial-era identity documentation in postcolonial Rwanda, Documenting Individual Identity offers the most comprehensive historical overview of this fascinating topic ever published.

Documenting Individual Identity: The Development of State ...

"Documenting Individual Identity is a distinguished collection that opens up a new area of historical and sociological inquiry. On almost every topic the authors have thought widely and deeply, and they back up their general points with interesting, detailed research."—Theodore Porter, University of California at Los Angeles
