Don't "Should" on Your Kids: Build Their Mental Toughness

And don't forget that kids learn by watching adults, particularly their parents. Make sure your behavior is role-model material. You'll make a much stronger impression by putting your own belongings away rather than just issuing orders to your child to pick up toys while your stuff is left strewn around.

Disciplining Your Child (for Parents) - Nemours KidsHealth

Parenting is an undeniably difficult job—and having your kids at home 24/7 while schools and daycares are closed can make it even more stressful. Unfortunately, that additional layer of stress during an already difficult time can sometimes manifest in ways you're not intending—like being short with your kids or saying things you don't mean. If you want to keep your relationship with your children on steady footing, read on for the things parents shouldn't say to their kids.

25 Things Parents Shouldn't Say to Their Kids | Best Life

Sometimes doing what you should means doing the honorable thing. We all have duties and responsibilities we have to fulfill even when we don't feel like it. It will take some judgment and wisdom on your part to balance doing what you should and doing what you choose. For example, you really should be faithful to your wife. That's a no brainer.
