Holland Hall, Dean's Suite. 352-273-0603. rosenbury@law.ufl.edu. OVERVIEW. In this course, we will read feminist theory, queer theory, and other critical theory in order to examine constructions of gender and the roles legal systems play in those constructions. We will explore some of the general themes and debates that have emerged as feminists attempt to understand and critique law's explicit and implicit constructions of gender as they relate to various groups of women and men.

Feminist legal theory : readings in law and gender (Book ...

"Feminist Legal Theory" is a carefully balanced and thoughtfully edited collection of classic and new papers from the exciting field of feminist legal thought. What makes current feminist legal theory so important is the far-reaching challenge it poses to the assumptions embedded in traditional legal doctrine and method as well as the light it sheds on how these assumptions have so consistently undercut efforts toward fundamental gender change. The papers gathered here reveal the influences ...

Feminist legal theory : readings in law and gender (eBook ...

American feminists have identified law as an instrument of male supremacy since their first national gathering at Seneca Falls, New York in 1848. Critiques of law thus became an important part of the early feminist movement, which succeeded in eradicating the most blatant examples of legal sexism. The successes of the contemporary feminist movement might not have happened without one of those ...

Feminist Theory And The Law - Oxford Handbooks

the impact of feminist legal theory upon the way law is practiced. We begin with a brief introduction to the variety of feminist legal theories and their relationship to substantive legal struggles in which feminist practitioners have been engaged. We then turn to a more detailed description of the impact of feminist legal theory on legal ...

9780813312484 | Feminist Legal Theory: ... | Knetbooks

Feminist theory and various forms of feminist critique began long before the formal naming of the school of literary criticism. In so-called first-wave feminism, the "Woman's Bible," written in the late 19th century by Elizabeth Cady Stanton, is an example of a work of criticism firmly in this school, looking beyond the more obvious male ...
