FUSE 1-20 by Neville Brody

FUSE 1-20. In many ways, it's just the right time to revive FUSE, Neville Brody and Jon Wozencroft's experimental publication on fonts and typography. 2012 and 1991 (when FUSE was first published) share many parallels. We're reaching another turning point in the conversion from analog to digital, the bar for entry in modes of production has lowered, and an increased enthusiasm for expressive design has taken root in some circles.

FUSE 1-20 - Typographica

Neville Brody, a London-based designer, began to breaking rules and informing design trends in the 1980s. Brody felt that art had lost its human-ess. While an art student, this consideration played on his deciding whether to do design or art. He wondered "why can't you take a painterly approach within the printed medium." (Meggs, 479-80)...
