Indonesia after Suharto Between the elections of 1998 and 2004, Indonesia had four presidents, none of whom served a full five-year term. Suharto remained in office for just two months following his reelection in 1998. Habibie, his successor, served for only one year.

Indonesia - Indonesia after Suharto | Britannica

A report entitled " Beyond access: Making Indonesia's education system work" from the Sydney-based Lowy Institute analyses the shortcomings of the education system of Southeast Asia's largest nation and economy, tracing its failures to "politics and power" rather than a lack of educational funding.

What is wrong with Indonesia's education system? - Study ...

It also discusses Indonesia's relations with Asian countries and beyond, identifying their problems and prospects. As Suharto has played a crucial role in directing the policy, special attention has been focused on him. Despite many differences from the Sukarno era, Indonesia's aspiration to international leadership under Suharto remains constant.
