## **Magus - Pathfinder: Kingmaker Wiki**

A master of arcane magic fused with more conventional weapon attacks, the magus typically seeks balance in both approaches. Many of the archetypes and new magus arcana presented in this section supplement those magi who favor their feats of arms over raw spellcasting power.

## **Magus: Pathfinder.d20srd.org**

(Elf Only) Many elven magi do not consider themselves masters of a blend of martial and magical talents, but rather a sub-category of wizards who study the effect of physical movement and techniques upon spellcasting ability.
