### **Making The Empire Work Labor**

Description. Millions of laborers, from the Philippines to the Caribbean, performed the work of the United States empire. Forging a global economy connecting the tropics to the industrial center, workers harvested sugar, cleaned hotel rooms, provided sexual favors, and filled military ranks. Placing working men and women at the center of the long history of the U.S. empire, these essays offer new stories of empire that intersect with the "grand narratives" of diplomatic affairs at the ...

### **Making the Empire Work - NYU Press**

The U.S. empire is a project of global labor mobilization, coercive management, military presence, and forced cultural encounter. Together, the essays in this volume recognize the United States as a global imperial player whose systems of labor mobilization and migration stretched from Central America to West Africa to the United States itself.
