The Cornell Note-Taking System Second, you will see that the pages in the Reading Essentials and Note-Taking Guide are arranged in two col-umns.

Reading Essentials and Note-Taking Guide

Burke prefers to use the term "note-making" — making meaning from information — to the more passive "note-taking." Note-making, he says, is "manipulating information to make it sticky." Some students can make information "stick" by making outlines. For other more visual learners, colors might work better. Burke gives the example of one student who went back over her science notes using red highlighter to indicate blood and blue for oxygen.

How to take great notes | GreatSchools.org

Taking Notes in Middle School. As they move into middle school, the note-taking skills that students need to master will progress. They will need to develop the ability to summarize and make connections among ideas. The skills for summarizing in note-taking are similar to those we learn when writing a good concluding paragraph. Summarizing involves the ability to pick out the main idea of the information you're learning about.
