Peter Massey MA (RAC) and Alison Slater VA (hons.) are the professional artist and designer team behind the successful company, Zantium. Specializing in mosaic, they produce work to commission and run regular courses at arts venues around the UK. With backgrounds in illustration and textiles respectively, Peter and Alison are skilled in creating both decorative pattern and figurative subjects.

A mid-1994 guide lists Mosaic alongside the traditional, text-oriented information search tools of the time, Archie and Veronica, Gopher, and WAIS but Mosaic quickly subsumed and displaced them all. Joseph Hardin, the director of the NCSA group within which Mosaic was developed, said downloads were up to 50,000 a month in mid-1994.
