Pioneer missionaries have been some of the first Westerners to enter into unengaged cultures and share the gospel with the indigenous inhabitants. For years, there has been a big debate over whether or not Westerners ruin other cultures. In this section, we will look at the wrong and right ways pioneer missionaries have approached culture, and ...

That is what we call "frontier missions" or "pioneer missions." That is a Paul-type missionary. For me, back in 1983, it proved to be a stunning revelation that perhaps 90% of our missionary force from North America are Timothy-type missionaries working with established churches among reached peoples, and only 10% are Paul-type missionaries ...
