Policy & Politics in Nursing and Health Care - 7th Edition

As a nurse, I feel very strongly about being involved in organizations and politics. We are here to improve patients' quality of life, which is not limited to their inpatient stay and is affected by their environment outside the hospital, including all the policies put forth by local and national government. We must join forces as nurses to promote a better future for our patients—and for our own families!

Nursing and Politics : AJN The American Journal of Nursing

Being aware of the philosophical and political themes, the nurses will be able to develop better work strategies and perspectives. The authors note the role of the political philosophy and ideology in the issues concerning gender and race.
