Aug 13, 2020. Ages. 11-12. Aug 13, 2020. In their first year of middle school, 6th graders embark on a new journey in their schooling, and with that comes new challenges and changes. In many ways, 6th grade is a year of significant transition for students as they use the skills they have previously learned and apply them to more complex and independent learning in deeper and more rigorous ways.
