and the case is reviewed and deemed acceptable by a governing body. Federal-level charges are usually investigated by a government agency, such as the Federal Bureau of Investigation (FBI) and prosecuted by a special federal prosecutor. Another way federal charges can result is if a person commits a crime on federal land, such as in

### **Difference Between State And Federal Charges : Manley & Manley**

The federal  
government can find a  
way to charge you for  
most crimes. In some  
cases, you could face

## Read Book Take Charge Of Your

both state and federal charges for the same crime. For the government to prosecute you, the court needs to have jurisdiction over a case. Crimes that occur in only one state usually result in state charges.
