The Great Loop. I have read many stories and blogs, and watched videos over the years from people who did the Great Loop, the connected waterways in America and Canada that circle the eastern portion of North America. As the Loop suggests, the point where you begin the trip is where you finish, crossing your wake as they say, some 6,000 miles later.

### **The Great Loop | Seattle Yachts**

Every once in a while, people would look sideways at Larry and Jamie McCullough. The couple were doing the Great Loop last year, just the same way that many cruisers do—starting in Florida and heading up the East Coast, and then working their way across Canada and back down through America's midsection to the Gulf of Mexico.
