The Power Center makes the right fit between the larger Hill Auditorium and the smaller Mendelssohn Theater, to offer a spacious yet intimate setting for student and professional performing art events. The center was built with the financial support of Eugene Power, his wife Sadye and son Philip. The Power Center opened in 1971.

A corporate center does have the potential to cut through the tensions, lobbying, and logrolling that often bedevil resource allocation discussions and lead to inertia (for more on resource allocation challenges, see "How to put your money where your strategy is"). But few are well organized to play this role.
