Rehabbing investment property is often romanticized. Buying a broken down property, investing time and money into it, flipping the property as an improved and beautiful home, and walking away with a handsome profit is one of the most glamorous dreams of many would-be real estate investors. But don't be fooled.

Top 10 Things About Rehabbing Investment Real Estate

A real estate rehab is when investors purchase a property, complete renovations and then sell it for a profit. These projects can take anywhere from a few weeks to a few months, depending on the amount of work that needs to be done. This is one of the most popular exit strategies in the industry, and rightfully so.

7 Stages Of A Real Estate Rehab Deal | FortuneBuilders

One of the important steps in fix and flip real estate investing deals is the house rehab process. This quick-profit strategy usually involves buying property at a discount, making changes or upgrades on it and selling it for more than invested. But as lucrative as it is, it involves much attention to detail and could take a lot of time to master.
