Using a narrative approach allows me to help people recount and document what they can remember from childhood to the present day and then we work together systematically, to attempt to fill in any gaps. The objective is always to have their story written down on paper – something tangible they can hold and own and share with the people they ...

## **Using narrative theory in practice - Community Care**

Narrative essays tell a vivid story, usually from one person's viewpoint. A narrative essay uses all the story elements — a beginning, middle and ending, as well as plot, characters, setting and climax — bringing them together to complete the story. The focus of a narrative essay is the plot, which is told with enough detail to build to a ...
