Visual Explanations: Images and Quantities, Evidence and ...

Visual Explanations is about pictures of verbs, the representation of mechanism and motion, of process and dynamics, of causes and effect, of explanation and narrative. Since such displays are often used to reach conclusions and make decisions, there is a special concern with the integrity of the content and the design.

Edward Tufte: Books - Visual Explanations: Quantities ...

Visual Explanations is about depicting verbs - representing motion, process, dynamics, cause, effect, explanation, and narrative. Tufte sets out to teach us a series of design strategies - "the proper arrangement in space and time of images, words, and numbers - for presenting information about motion, process, mechanism, cause and effect"(9)
