About Michelle

**Langley - Women's
Infidelity**

Contrary to what men think of themselves as being the dominant species, the women's psyche allows them to think on a broader plain, that being men are expendable, disposable and replaceable! This is presented quite accurately and bluntly

My name is Michelle Langley. I've been immersed in women's infidelity issues for almost 20 years. I've written two books on the subject and I've also been coaching men and women through female infidelity issues for over a decade; and the truth is many of our societal beliefs about females are grossly distorted and some are just completely
